

SPONSORSHIP CERTIFICATE

Sponsorship from the Head of the Organization/ Industry/ Institution

This is to certify that the candidate _____ is working in our Organization/ Industry/ Institution w.e.f.(dd-mm-yyyy)_____ and currently, he/she is holding a regular/full-time position/designation of _____

We also certify that the Co-Supervisor _____ is working in our organization/Industry/Institution w.e.f. (dd-mm-yyyy)_____ and he/she is presently holding a regular/full-time position/designation of _____ and he/she will not attain superannuation in five years.

We sponsor the above candidate for AcSIR Ph.D. degree programme under Industry Sponsored Category at CSIR-CECRI. We understand that this sponsorship is covered by the following conditions:

- I. The candidate will be continuing in the present place of work till he/she completes the research/PhD work.
- II. Necessary facilities will be provided for the proposed research work of the candidate.
- III. Necessary leave will be given to the candidate to enable him/her to fulfill following requirements:
 - a. The candidate is required to spend the residential period for completing course work at CSIR-CECRI right after admission and hence should be available at CSIR-CECRI for the same.
 - b. The candidate is required to spend at least 4 weeks every subsequent year for discussion with the research supervisor of CSIR-CECRI.
- IV. The Research Supervisor from CSIR-CECRI will be given access to the facilities necessary for the research work of the candidate in our Organization/ Industry/ Institution.
- V. The Co-Supervisor from the organization will ensure that yearly reports are submitted through the Research Supervisor at CSIR-CECRI to the AcSIR Coordinator. Failure to comply with this will result in the cancellation of registration.
- VI. The Organization/ Industry/ Institution will ensure that the candidate devotes sufficient time to his/her research work so that the thesis will be submitted within the time frame stipulated by AcSIR.
- VII. The Organization/ Industry/ Institution will ensure to provide an alternative Co-Research Supervisor if the current supervisor ceases to remain as a regular/full-time employee in the organization during the Ph.D. programme of the candidate.
- VIII. In the event of any intellectual property generated resulting from the candidate's research as part of the programme, the organization agrees to the sharing of IP rights with CSIR-CECRI.
- IX. The thesis is a public document and shall include all the work carried out by the student for the Ph.D. degree. The organization shall agree that sensitive/confidential information will not be included in the problem formulation or, subsequently, during the course of research.

- X. All material in the thesis can be submitted for publication in peer-reviewed journals/conferences, the organization waives the right to deny permission for publication, for reasons of confidentiality or for any other reason, for any material contained in the thesis.
- XI. Publications: In the case of publications arising from the thesis, only those who have directly contributed to the research work can be listed as authors. In case of any difference of opinion, the decision of the Director of CSIR-CECRI shall be final.

NOTE:

The candidate and the co-supervisor should be from the same organization or its parent organization, irrespective of their physical location. In case the physical locations are different, the application form needs to be endorsed by competent authorities of both locations/organizations.
